

**Details:**

Just arrived is this like new 2006 Ford E250 van conversion with a wheelchair application. The conversion is Explorer so you know its top of the line. The lift is Vmi and the van also boasts raised doors for easy entry. The tie downs are mounted and ready to go. Conversion components include raised roof, flat screen Lcd Tv, leather interior, power sofa, cabinets, Dvd, power seats, and plug in game controls. The van sits on chrome alloy wheels and nearly new Michelin tires. The E250 chassis is a superior heavy duty chassis and fits well with the conversion and modifications. Exterior of the van is super clean as is the interior. We have serviced this van and comes "Certified". Financing is available.
